

Watoto is a holistic care program that was initiated as a response to the overwhelming number of orphaned and vulnerable children and women in Uganda. It is positioned to rescue an individual, raise each one as a leader in their chosen sphere of life so that they in turn will rebuild their nation. The Watoto model provides for physical care; medical intervention (including HIV/AIDS treatment); education (formal and vocational); counseling and emotional well-being; moral and spiritual discipleship.

Your ongoing Partnership is important to us . . .

An opportunity is made available during the choir presentation where you will be able to contribute financially. Please remit one check for the offering to the address below (Please make checks payable to 'Watoto Canada').

PARTNERSHIP

Many individuals, churches and organizations globally partner with Watoto financially on an ongoing monthly basis. Either sponsor a child, mother, teacher, vulnerable woman or Baby Watoto in the sponsorship program; or partner with Watoto on a monthly basis.

VISIT WATOTO

Teams and individuals regularly come to Watoto to help build a structure or other infrastructural requirements in the children's villages. They raise funds to cover the cost of the structure (i.e. houses, clinics, classrooms, etc according to priority) and participate in the building themselves.
