

## SEEDLINGS

---

A safe space for toddlers AGES 1-2.5 YEARS to play & experience God's love through the care of loving volunteer caregivers during the Sunday morning service.

## SAPLINGS

---

A safe space that children AGES 2.5-5 YEARS will hear and see God's love & truth through age appropriate weekly Bible stories, activities, songs and play.

## CEDARS

---

A place where students GRADES 1-2 will gain more awareness of who God is & what He is like through hearing weekly Bible stories, activities and songs.

## MIGHTY OAKS

---

A place where students GRADES 3-5 will be challenged to take their faith deeper, making it personal, by unpacking scripture together through story, activities and songs.

## THE BRIDGE

---

A group from GRADES 6-8 that will focus on student leadership with a strong emphasis on personal spiritual growth while gaining knowledge on what it looks like to serve others.

## WHY ALL THE TREE REFERENCES?

Right from the beginning, trees have held significance in our relationship with God. One tree in the garden held the knowledge of good & evil and one tree was the tree of life.

God uses trees throughout scripture to protect, teach, establish a place to remember, to build homes & so much more. Noah's ark was built of Gopher Wood, the Temple was out of Cedar Trees, etc. The psalmists & the prophets all use trees in different ways to talk about our relationship with God.

In children's ministry, our vision is to create a space where children, teens, & adults can come & find a space to hear & experience God's love & truth in hopes that as they grow their roots will grow down deep into God's love & truth.
